Subject: RE: Online Music Services - CSI (2011-2013); SOCAN Tariff 22.A (2011-2013) and SODRAC Tariff 6 (2010-2013) - Notice of the Board [CB-CDA 2017-004]

Dear Ms. Campanella,

Please bring this note to the attention of the Board. I write with the consent of all parties.

Thank you for sending Notice of the Board **[CB-CDA 2017-004]**, issued in the above-referenced matter. The Notice adds a new filing deadline of January 23 for revised submissions on the draft tariff language and Board questions circulated late last year. The Notice postpones the deadline for reply submissions from January 27 to February 3.

Unfortunately, the new deadlines give rise to timing problems for counsel. In particular, the new window for additional “primary” comments, and the delayed date for filing replies, now place the reply window during a period when I will be travelling out of province and will have little opportunity to take client instructions or properly prepare a reply.

Accordingly, with the consent of all parties, this is to request an extension of the reply deadline until Wednesday, February 15, 2016. I note that a shorter extension would simply put other counsel in the same position in which the current deadline puts me.

Thank you for your assistance. Please let me know if there are any questions.

David Kent
