Dear Ms. Campanella:

Please accept this email as a request by **Fitness Industry Council of Canada (FIC)** for an extension of time within which to respond to the Board Notice of last Friday, until May 12, 2017.

By way of clarification, the undersigned has now received instructions from FIC to respond to the Board Order and to consider the response of ReSound, filed yesterday. It is fully expected that the matter remains on track for an expeditious, collaborative resolution. The short extension is requested so that stakeholders can reflect on the submissions of ReSound.

We respectfully submit that this request is in order. Should any questions arise please do not hesitate to contact the undersigned.

Thank you
Regards
Andrea Rush.
