Subject: RE: Commercial Radio Stations / Stations de radio commerciale [IWOV-LEGAL.FID2322093] [CSI: 2014-2018; Connect/SOPROQ: 2018; Artisti: 2015-2018]

Ms. Boisjoly-Letourneau,

We are counsel to CSI. We write jointly on behalf of both CSI and the CAB to request an extension from the Board to respond the December 8, 2017 Notice of the Board to **Friday, December 22, 2017**.

Since receiving the Board's Notice, requesting responses to certain questions regarding the commercial radio stations who have expressly agreed to be bound by the terms in the Settlement Tariffs (i.e. the Acknowledging Stations), CSI and the CAB have worked cooperatively to compile the requested information for the Board. However, the parties request an additional two days to respond to the Board, as it has taken longer than anticipated to obtain some of the answers.

We look forward to hearing from you.

Respectfully,
