Subject: RE: Access Copyright - Post-Secondary Educational Institution Tariffs, 2011-2013 and 2014-2017 - Ruling of the Board - July 03, 2015 [CB-CDA 2015-045]

Dear Mr. McDougall,

In accordance with the Board's ruling below, Access Copyright proposes the following schedule:

- Access Copyright to file supplementary case: Friday, October 30, 2015
- Mr. Maguire to file supplementary case: Friday, November 27, 2015
- Access Copyright to file reply case: Friday, December 18, 2015.

For clarification, since Access Copyright has not yet filed a case for the 2014-2017 tariff, we anticipate that its supplementary case will include its case for the 2014-2017 period (including the Board's June 3, 2015 questions).

We are still confirming the availability of our witnesses for a hearing to start on January 19, 2016, but expect to be in a position to confirm their availability with the Board shortly. Subject to that confirmation, we propose that the hearing can be held from Tuesday, January 19, 2016 to Friday January 22, 2016, with closing arguments on Monday, January 25, 2016.

Should you have any questions or concerns, please feel free to contact either Arthur Renaud or me at your convenience.

Best regards,

Erin Finlay
