Subject: RE: SOCAN Tariff 13.A (Public Conveyance – Aircrafts), 2011-2017 - Ruling of the Board [CB-CDA 2016-028]

Mr. McDougall,

The parties will not be filing any motions re: deficiencies with the Board for determination. I can advise that the parties have today reached an agreement in principle that should obviate the need for a hearing in respect of SOCAN Tariff 13.A. We still need to work out the final wording of a settlement tariff that we would request the Board to certify and, therefore, we are not yet requesting that the hearing scheduled to begin on September 27, 2016 be cancelled; however, we expect to be able to make that request shortly.
