NOTICE OF THE BOARD

On May 30, 2017, the Board received the attached letter of comments dated May 10, 2017, from an entity that is a counter-party to one of the agreements that is subject of the Board's Order [CB-CDA 2017-032] (the "Disclosure Order") directing a third party (the "Disclosing Party") to disclose certain agreements.

The author of the letter of comments has asked the Board not to disclose the identity of the entity to the Parties in the above-mentioned proceedings, as the identity of the entity is at the very core of some of its concerns expressed in the letter. The Board is sensitive to this issue and sees no prejudice to any parties in having the name of the entity redacted from the letter of comments. As such, the letter of comments is provided in a redacted form.

Parties may respond, if they so wish, to the attached letter of comments, or to any of the three other letters of comments from counter-parties to the agreements that are subject to the Disclosure Order, as provided by the Disclosing Party to the Board and the Parties on May 10, 2017, and May 12, 2017, by no later than **Friday, June 2, 2017**.
