#### **NOTICE OF THE BOARD**

The Board wishes to advise the parties that in its decision of August 25, 2017, dealing with the *Scope of section 2.4(1.1) of the Copyright Act – Making Available*, paragraph 8 which listed the parties who filed submissions is hereby revised. Although at some point Telus and Videotron were part of the Networks that participated in the related Online Music Services proceeding, they did not file submissions in the Making Available proceeding. Accordingly, because of this clerical error, paragraph 8 of the decision has been corrected and the amended version of the decision is now available on the Board's website.
