Mr. McDougall,

I have the Board's Notice CB-CDA-2017-126, delivered yesterday. The Notice seeks, among other things, a confirmation by every listed participant as to their level of participation in the hearings by October 27th. However, I am advised by Facebook that they require a bit more time than that to determine its position in response to the Board's Notice. Accordingly, this is to request an extension of the relevant deadline by one week, to November 3, 2017.
