Subject: extension request re Commercial Radio – Public Performance of Music [SOCAN: 2007-2018; Re:Sound: 2009-2020] - Notice [CB-CDA 2017-167]

Dear Mr. McDougall,

I am writing on behalf of the Collectives, Re:Sound and SOCAN, in connection with the Notice of the Board dated December 19, 2017 [CB-CDA 2017-167] in order to request an extension until Friday, January 12, 2018 of the January 5, 2018 deadline for the Collectives and Objectors to provide comments on the proposed consolidation. Given the intervening holidays and counsel and client's travel plans, January 5th is not an achievable deadline.

We would, of course, consent to a reciprocal extension of the January 10, 2018 deadline for the Objectors to confirm participation.

All of which is respectfully submitted,

John Cotter
