## NOTICE OF THE BOARD

**File: CBC Radio and Simulcasts (2009-2020) / SRC – Radio et diffusion simultanée (2009-2020)**

You are receiving this Notice because you were an Objector to one or more of the proposed tariffs that the Board intends to consider in the above-mentioned proceeding.

The proposed tariffs or portions thereof that will be considered apply only to CBC. Although some of the proposed tariffs are of broader application, the portions other than those applying to CBC will not be considered in the current proceedings. In fact, some portions of these proposed tariffs have already been certified.

In Notice 2018-032, the Board wrote to SOCAN, Re:Sound, Artisti, CBC, and ADISQ that it intended to consider, in a single proceeding, the following proposed tariffs applicable to CBC for the public performance and the reproduction of musical works and sound recordings by over-the-air radio and any simulcast thereof (the “Proposed Tariffs”):

- SOCAN Tariff 1.C (*SOCAN-Re:Sound CBC Radio Tariff*) (2015-2018)
- Re:Sound Tariff 1.C (*Re:Sound CBC Radio Tariff*) (2012, 2013-2016, 2017-2019)
- Re:Sound Tariff No. 1.C.2 (*Canadian Broadcasting Corporation (CBC) Simulcasts*) (2016)
- Re:Sound Tariff 8 (*NRCC Simulcasting and Webcasting Tariff, 2009-2012*) [simulcast of CBC radio only]
- Re:Sound Tariff 8 (*Re:Sound Simulcasting, Non-Interactive Webcasting and Semi-Interactive Webcasting Tariff*) (2013, 2014, 2015) [simulcast of CBC radio only]
- *ARTISTI-CBC Tariff, 2015-2017* [excluding “webcasting activities on the webradios of Espace.Mu”]
- *ARTISTI-CBC Tariff, 2018-2020* [excluding “webcasting activities on its webradios”]

In that Notice the Board sought comments from the above-mentioned parties on the proposed consolidation.

On March 14, 2018, Artisti wrote to the Board that it agreed with the proposed consolidation with the exception of the *Artisti-CBC Tariff* for 2018-2020. CBC replied thereto on March 15, 2018. No other parties provided comments.

Before proceeding, the Board seeks comments, if any, from the remaining Objectors to the Proposed Tariffs which were not consulted in Notice 2018-032 (see Annex). Objectors identified therein may comment on the proposed consolidation by no later than **Wednesday, March 21, 2018**. By that same date Objectors shall confirm their intention to participate in the above-mentioned proceeding. Objectors who do not do so will be deemed to have withdrawn from this proceeding. As this proceeding only considers portions of tariffs applying to CBC, the Board expects that most, if not all of the remaining Objectors will not participate in this proceeding.

In light of the above, the deadline to file a proposed Schedule of Proceedings is suspended until further notice.

A handwritten signature in black ink, appearing to read "Gilles McDougall". The signature is fluid and cursive, with the first name being the most prominent.
