File / Dossier : Re:Sound Tariff 7 – Motion Picture Theatres and Drive-Ins (2012-2013)

March 16, 2018

**[CB-CDA 2018-052]**

**NOTICE OF THE BOARD**

Re:Sound filed its proposed Tariff 7 – Motion Picture Theatres and Drive-Ins for the years 2012 and 2013 on March 11, 2011.

However, on September 16, 2009, the Board struck both Tariff 7 (2009-2011) and Tariff 9 (Commercial Television, 2009-2013). Both the Federal Court of Appeal (on February 25, 2011) and the Supreme Court of Canada (on July 12, 2012) confirmed the Board's decision.

Unless Re:Sound objects, and for the same reasons as expressed in its September 16, 2009 decision, the Board intends to strike Tariff 7 for the years 2012 and 2013 from the proposed statement of royalties as published in the *Canada Gazette*, Part I, on June 4, 2011.
