#### **NOTICE OF THE BOARD**

In Notice 2018-050 the Board wrote to the remaining Objectors to the proposed tariffs mentioned in Notice 2018-032 – *Erratum* (the “Proposed Tariffs”) seeking confirmation of participation. None of the parties consulted confirmed their intent to participate by the deadline established to do so. As such all remaining Objectors identified in the annex to Notice 2018-050 are hereby deemed withdrawn.

In its email of March 14, 2018, Artisti mentioned that it was favourable to the consolidation of its CBC tariff for the years 2015-2017 but not for the years 2018-2020 as ADISQ was an Objector to that period.

Given that ADISQ is deemed withdrawn, the Board intends to proceed with the consideration of the Proposed Tariffs, including Artisti’s CBC tariff for 2018-2020.

By no later than **Friday, April 6, 2018**, Parties shall submit a proposed Schedule of Proceedings, either jointly or separately, which could include a negotiation period.
