[CB-CDA 2018-176]

NOTICE OF THE BOARD

The Board would like to determine which activities covered by the following proposed SOCAN tariffs, or portions thereof, as they apply to the non-simulcast webcast of conventional commercial radio station signals, are not yet subject to a certified tariff:

- Tariff 22.3 - Webcasts of Radio Station Signals (2007, 2008)
 - Tariff 22.C - Webcasts of Radio Station Signals (2009, 2010, 2011, 2012, 2013)
- (the “Radio Station Webcast Tariffs”)

The Board notes that it has certified *Online Music Services* [CSI: 2011-2013; SOCAN: 2011-2013; SODRAC: 2010-2013] as well as *SOCAN Tariff 22.A – Internet – Online Music Services (2007-2010)*, which may apply to some of the same activities as the identified portions of the Radio Station Webcast Tariffs. In particular, to the extent that the certified tariffs apply to non-interactive webcasts, and do not exclude the Radio Station Webcast Tariffs from their application, they would appear to apply to the same activities.

SOCAN shall comment on the extent to which the portions of the proposed Radio Station Webcast Tariffs that apply to the non-simulcast webcast of conventional commercial radio station signals have not yet been certified by no later than **Friday, August 10, 2018**.

Objectors ([listed in the Annex attached](#)) may respond thereto by no later than **Wednesday, August 15, 2018**.
