[CB-CDA 2018-190]

NOTICE OF THE BOARD

On September 6, 2018, Mr. Cotter provided the Board with an update regarding the status of the repertoire study in the above-mentioned file. The Parties propose to provide the Board with a further status report on September 28, 2018.

Given the above, Parties shall file a further status update by no later than **Friday, September 28, 2018**.

As part of this update, the Parties shall address the following:

1. Please outline, in general terms, the “certain matters arising from the repertoire study and audit” being discussed by the Parties.
2. Please list, in detail, the remaining steps for the repertoire study, along with forecast dates of completion for each step.

In addition, until the Parties have made filings in regards of the repertoire study, or until the Board suspends this ruling, Parties shall file a monthly update, on the last business day of each month.
