#### **NOTICE OF THE BOARD**

The Board is in receipt of the Collectives' report of October 12, 2018, in which they request additional time to try and settle the issues remaining between them and propose to report back further on November 12, 2018.

In their report, the Collectives did not identify the 4 issues in dispute and did not provide a proposed schedule and procedure for dealing with these issues, as was required in notice 2018-192.

Consequently, the Collectives shall file **forthwith** a report, jointly or separately, identifying the 4 issues in dispute and providing a proposed schedule and procedure for dealing with such issues, which could provide for a negotiation period ending on November 12, 2018.
