NOTICE OF THE BOARD

In Notice 2018-220, the Board proposed that an informal technical meeting be held to discuss the issue of the information used by Re:Sound to determine eligible repertoire.

The BDUs, Stingray, and Re:Sound have agreed to attend such a meeting. However, Re:Sound indicated that a staff member with relevant technical expertise would not be available on the dates proposed by the Board in the Notice.

The Board is of the view that it is desirable to have such a person present at the meeting. As such, the Board asks the BDUs, Stingray, and Re:Sound to jointly determine the earliest date, as well as one alternative date, at which they all would be available, and submit these to the Board by no later than **Monday, December 10, 2018**. The Board will then confirm the date of the meeting.

The Board intends to provide the Parties with an agenda no later than one week before the meeting.
