COPYRIGHT BOARD OF CANADA

ANNUAL REPORT ACCESS TO INFORMATION ACT FOR REPORTING PERIOD OF APRIL 1, 2019 TO MARCH 31, 2020

1. INTRODUCTION

In accordance with the provisions of section 72 of the *Access to Information Act* (the “*Act*”), the Copyright Board of Canada has prepared its annual report on the administration of this *Act*.

The *Act* extends the laws of Canada to provide a right of access to information in records under the control of a government institution in accordance with the principles that government information should be available to the public, that necessary exceptions to the right of access should be limited and specific, and that decisions on the disclosure of government information should be reviewed independently of government.

The *Act* is intended to complement rather than to replace existing procedures for access to government information and is not intended to limit in any way access to the kind of government information that is normally available to the general public.

The Copyright Board of Canada is an economic regulatory body empowered to establish, either mandatorily or at the request of an interested party, the royalties to be paid for the use of copyrighted works, when the administration of such copyright is entrusted to a collective-administration society. The Board also has the right to supervise agreements between users and licensing bodies and issues licences when the copyright owner cannot be located.

2. ORGANIZATION OF ACCESS TO INFORMATION ACTIVITIES

The administration of the *Act* is the responsibility of the Secretariat of the Board. All requests are received and processed by the Secretary General who acts as Access to Information and Privacy coordinator.

3. DELEGATION ORDER

A copy of the delegation order is included with this report.

4. **STATISTICAL REPORT**

The Board received three (3) requests for access to information between April 1, 2019 and March 31, 2020, all completed on time. The Board has incurred costs in the amount of \$9,498 for the administration of the *Act*.

5. **TRAINING ACTIVITIES**

The Access to Information and Privacy coordinator keeps abreast of new development through information communiques received on a regular basis from the Information and Privacy Policy Division of the Chief Information Officer Branch at Treasury Board. However, no formal training was followed by the personnel of the Copyright Board of Canada.

6. **POLICIES, GUIDELINES AND PROCEDURES**

The Board did not implement any new policies, guidelines and procedures during the reporting period.

7. **COMPLAINTS**

No complaints were registered with the Information Commissioner during the reporting period.

8. **MONITORING OF THE TIME TO PROCESS A REQUEST**

The Board is a micro-organization which does not have the resources to have a group dedicated to the management of these requests. In general, the Board receives very few requests annually. Requests are usually completed in a timely fashion.
