**Non-exclusive licence issued to Christopher Simmonds Architect, Ottawa, Ontario, authorizing the reproduction of architectural plans**

Pursuant to the provisions of subsection 77(1) of the *Copyright Act*, the Copyright Board grants a licence to Christopher Simmonds Architect as follows:

(1) The licence authorizes the reproduction of one copy – for renovation purposes only – of the architectural plans for the property located at 154 Billings Avenue in the City of Ottawa, Province of Ontario, created in 1983 by Polyhedra Design and Drafting.

The issuance of the licence does not release the applicant from the obligation to obtain permission for any other use not covered by this licence.

(2) The licence expires on March 31, 2004. The authorized reproduction must therefore be completed by that date.

(3) The licence is non-exclusive and valid only in Canada. For other countries, it is the law of that country that applies.

(4) The applicant will pay the sum of \$25 to any person who establishes, before March 31, 2009, ownership of the copyright in the work covered by this licence.

(5) The coming into force of this licence is conditional on the applicant's filing with the Board his undertaking to comply with the conditions set out in paragraph (4) above.
