Non-exclusive licence issued to Enerflow Industries Inc., Calgary, Alberta, authorizing the reproduction of architectural plans

Pursuant to the provisions of subsection 77(1) of the *Copyright Act*, the Copyright Board grants a licence to Enerflow Industries Inc., as follows:

(1) The licence authorizes the reproduction of one copy – for renovation purposes only – of the architectural plans drawn by APX Engineering Service Ltd. for the property located at 8625 68th Street S.E. in the City of Calgary, Province of Alberta.

This licence does not release the licensee from the obligation to obtain permission for any other use not covered in this licence.

(2) The licence expires on December 31, 2005. The authorized reproduction must therefore be completed by that date.

(3) The licence is non-exclusive and valid only in Canada. For other countries, it is the law of that country that applies.

(4) The licensee will pay the sum of \$25 to any person who establishes, before December 31, 2010, ownership of the copyright in the work covered in this licence.

(5) The coming into force of this licence is conditional on the licensee filing with the Board her undertaking to comply with the conditions set out in paragraph (4) above.
