UNLOCATABLE COPYRIGHT OWNERS

Non-exclusive licence issued to The University of Alberta Press, Edmonton, Alberta for the reproduction of an article written by Irene Todd Baird

Pursuant to the provisions of subsection 77(1) of the *Copyright Act*, the Copyright Board grants a licence to The University of Alberta Press as follows:

(1) The licence authorizes the reproduction of the article “Jasper National Park: Canada’s Vast New Mountain Playground” written by Irene Todd Baird (1901-1981), published in *Saturday Night* magazine on May 17, 1924. The article will be reproduced in an anthology to be compiled by Dr. Colleen Skidmore entitled “This Wild Spirit: Women in the Rocky Mountains of Canada”.

No more than 1,500 copies of the book shall be reproduced.

This licence does not release the licensee from the obligation to obtain permission for any other use not covered by this licence.

(2) The licence expires on April 30, 2011. The authorized reproduction must therefore be completed by that date.

(3) The licence is non-exclusive and valid only in Canada. For other countries, it is the law of that country that applies.

(4) The licensee will pay \$150 to Access Copyright who may dispose of the amount as it sees fit for the general benefit of its members. Access Copyright undertakes, however, to reimburse the amount to any person who establishes, before April 30, 2016, ownership of the copyright of the work covered by this licence.

(5) The licensee shall ensure that the following credit is prominently presented:

“Jasper National Park: Canada’s Vast New Mountain Playground” by Irene Todd Baird, first appearing in Saturday Night, May 17, 1924. Used under a non-exclusive licence issued by the Copyright Board of Canada in cooperation with the Canadian Copyright Licensing Agency.

(6) The coming into force of this licence is conditional on the filing with the Board of a receipt from Access Copyright for the amount of the royalty specified in the licence, accompanied by Access Copyright's undertaking to comply with the conditions set out in paragraph (4) above.
